

Voluntary Accident Insurance

Four B Corp. dba Balls Food Stores | All Eligible Employees | Policy #900214

Protect your savings against an accident

Even a broken arm can result in medical costs not covered by your health plan. Accident insurance helps to protect your finances after a mishap. It pays you cash for covered accidents and treatments. You can use the money to help pay out-of-pocket medical costs or everyday expenses.

How it works

Your employer is offering you and your coworkers this coverage as a group, at a group rate. You are responsible for paying a portion or all of the cost.

The benefit schedule on the following pages lists what the plan pays for covered accidents.

You can elect coverage for:

You	You and your spouse**
You and your children	You and your family

Additional features

- Provides coverage for on- and off-the-job accidents
- You can choose coverage for on- and off-the-job accidents or off-the-job accidents only.
- Benefits are payable directly to you, the employee
- This plan pays benefits in addition to any other coverage you may have
- There are no health questions or pre-existing conditions limitations

What did Accident insurance mean for the Smiths?

This family of five is no stranger to sports accidents. Last June, their daughter Julie who is the top scorer on her soccer team tore her ACL and required surgery. Their son Robert fell and fractured his arm playing basketball that same year.

- The Smiths submitted claims for each child's ER visit, x-ray, physician appointments, and Julie's surgery.
- We reviewed the claim medical information, including details from their physicians, and approved the claims.
- The cash benefits helped the Smith family meet their medical deductible.

Falls are the leading cause of injury treated in emergency rooms every year, for people of all ages.*

Benefit schedule

Once your coverage goes into effect, you can file a claim for covered accidents that occur after your insurance's effective date. Unless otherwise specified, benefits are payable only once for each Covered Accident as applicable. The full list of benefits is listed here. Accident FAQs

What happens if I am injured?

Once your claim is approved, Accident insurance pays you a benefit amount if you are hurt or receive treatment as a result of a covered accident. The benefit amount you receive depends on your injury and/or the treatment you receive. Benefits are payable only once for each Covered Accident (unless noted otherwise in the benefit schedule).

Injuries and other related benefits due to a covered accident must be diagnosed or treated within a defined period of time from the date of your accident. This could be as few as three days for certain benefits. Please refer to your certificate for details.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

How do I file a claim?

We will ask for information from you and your doctor about the specific accident and the treatment provided. You can download forms from our website. Please complete and sign all forms. Missing information or signatures can delay your claim.

Accident insurance is a limited benefit policy. The certificate has exclusions that may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate.

Read the important plan provisions section for more information including limitations and exclusions.
